Cedar Creek

Dear Sir:

RE: ~~SEVIER~~ DISTRIBUTION:

In further answer to your letter of May 12th, I beg to advise you that upon consultation with Commissioner McBride it would appear that two years ago you had a deputy commissioner by name of Leslie Bowen who looked after the distribution and I understand with satisfaction to the users.

I shall be glad to get in touch with Mr. Bowen in view of appointing him and, in the meantime, I would appreciate your letting me know at once if the arrangement as to compensation which was had two years ago will be satisfactory for this season. I understand that Mr. Bowen was paid \$175.00 a month and that a horse for his use was furnished by the water users outside of this. His duties covered not only your canal but Twin Creek also.

Yours very truly,

GEO. M. BACON
State Engineer
